v.

JOHN WILSON, et al.,

Defendants.

Cr. No. 19-10080-NMG

AFFIDAVIT OF MARY WILSON
CONCERNING THE SEPTEMBER 28, 2018 FACETIME CALL

I, Mary Wilson, hereby declare and state:

1. I am a sophomore in college. John and Leslie Wilson are my parents. Courtney is my twin sister.

2. On September 28, 2018, my mother arranged for Courtney and me to speak with William Singer in a FaceTime call. My recollection is that this was my first and only FaceTime call with Mr. Singer.

3. My father, mother, Courtney and I were all in our Lynnfield house and participated in the call. I recall that Courtney and I spoke with Mr. Singer about college admissions. When we were done, we gave the phone to my father, left my parents downstairs, and went upstairs. I remember that I then had to retrieve my phone from my father after I did some homework.

Signed under the pains and penalties of perjury this 4th day of January, 2021.
